

## Strait-Flex® Ammo-Flex

### Premium Trims and Tapes

The best flex-tape that runs through a Bazooka®; cuts easily. The tape's outer edge features a diamond punch pattern for a superior bond, faster drying, with no rippling or blistering.

- Pre-finished surface; just skim coat edges to finish
- Inside 90° corners where a small fill or straightening is required
- Inside corners of bay windows
- Straightens small framing irregularities
- Note: Reinforced paper backing, not paper-faced composite
