

## Strait-Flex® Wet-Flex

### Flexible Corner Bead - Composite

Strait-Flex Wet-Flex is a water-activated outside 90° and outside off-angle corner bead on a roll. No paper-face to fuzz-up, burn-through, delaminate or curl.

- Easily transported to and from job site, no waste
- Impact-resistant nose
- Small bead creates a perfect, clean edge
- Small fill coat. Fast drying
- No delayed shrinkage or edge cracking
